

ACADEMY OF LAW & PUBLIC SERVICES

Oxnard High School's Academy of Law & Public Service provides a unique education to our future workforce.

The Academy will prepare students for successful, life-long endeavors and public leadership. Students will take classes that will prepare them for higher education and future careers in law, federal, state or local government, or in a community service agency. Students will develop leadership, critical thinking, problem solving, and communication skills. Students gain an understanding of the American legal system and explore the wide range of career-related opportunities. Graduates of the academy will be prepared to further their formal education in the college or university setting or to pursue immediate entry into a chosen career or technical school upon graduation from high school.

Oxnard High School Academy of Law & Public Services

- Coursework offers students an overview in the criminal justice process and forensic science investigations and offers training in First Aid/CPR and self defense.
- Opportunities to meet professionals working in public service careers through participation in field trips, internships and job shadowing.
- Participate in community service activities.
