Dear Ms. Browne:

SUBJECT: San Diego Association of Governments Designation as a Beacon Award Champion

The San Diego Association of Governments (SANDAG) writes to express its interest in becoming a Beacon Award Champion. The Beacon Award Program (Program) is an opportunity to showcase local sustainability planning. The majority of local governments in the San Diego region have completed Energy Roadmaps, and several have completed Climate Action Plans.

As a Beacon Award Champion, SANDAG will inform its member agencies about the Program and assist interested member agencies with award applications. SANDAG will work with the Institute for Local Government to bring greater recognition to the local governments of the San Diego region.

The point of contact for the Program will be Susan Freedman, Senior Regional Energy/Climate Planner, (619) 699-7387, susan.freedman@sandag.org. Please contact me or Ms. Freedman if you have any questions.

Sincerely,

CHARLES "MUGGS" STOLL
Director of Land Use and Transportation Planning
