

# Governments Engaging Youth Convening: 21<sup>st</sup> Century Civic and Work Readiness Skills

---

**Monday, December 5<sup>th</sup>, 2016 | 9:00AM – 11:30AM**  
**Sacramento County Office of Education**  
**10474 Mather Boulevard, Mather, CA 95655 (Mather Room)**

## Meeting Goals:

- Identify workforce demands, needs, challenges and opportunities currently and over the next 5-10 years (job classification and skill set).
- Gain feedback on Governments Engaging Youth (GEY) core competencies and 21<sup>st</sup> century civic and work skills.
- Identify current efforts of municipal entities and school districts working together to prepare youth with core competencies and career readiness skills.
- Raise awareness around GEY efforts and interest municipal entities and schools to partner to increase youth interest in municipal government careers and civic engagement opportunities and to work together to make sure youth have the skills needed to be civically engaged.
