

Assessing Your Agency's Ethical Culture

This survey has been designed to assist your agency in gauging its ethical climate.

Instructions: For each row, start by reading the statement at the beginning of each part and then reading the "indicator" column as the rest of the statement. Then consider whether that statement is "usually," "sometimes" or "rarely" the case in your experience, marking the corresponding box that best reflects your experiences and perceptions working for your agency. If you feel you don't know well enough to answer, please check the box on the right.
