About This Resource

This resource provides information about affordable health insurance options for children of eligible families in Wisconsin. It is part of the Institute for Local Government's Healthy Communities – Insuring Kids Health Online Resource Center project.

The Insuring Kids Health Online Resource Center provides information and resources to help California cities and counties connect families with affordable health insurance for their children. The activities and best practices compiled can be applied throughout the country and can assist cities, counties, health plans and others that are interested in enrolling children in affordable health insurance. To view the Insuring Kids Health Online Resource Center, visit www.ca-ilg.org/InsureKids.

The Institute for Local Government is a nonprofit 501(c)(3) research and education affiliate of the California State Association of Counties and the League of California Cities. The Institute for Local Government promotes good government at the local level with practical, impartial and easy-to-use resources for California communities.

The Institute gratefully acknowledges the Anthem Blue Cross Foundation for its generous support of this project.
