

This is your chance to choose how the Bay Area grows.

YouChoose Bay Area

Your home, your future, your choice

By 2035, the nine-county San Francisco Bay Area is expected to add over 900,000 new households and 1.2 million new jobs. Energy will cost more and we will have to face the realities of climate change. We have to grow smarter.

Join the conversation about our future.

Help shape the region's long-range plan for housing, land use and transportation being developed by the Association of Bay Area Governments and Metropolitan Transportation Commission. For more information, go to OneBayArea.org.
