

News Flash

Sustainable Communities Learning Network

A service of ILG's Sustainable Communities Learning Network, the News Flash highlights fresh resources and upcoming events tailored for local sustainability practitioners.

Online Guide to Planning Healthy Neighborhoods

Newly revised and available for the first time online, this dynamic version of ILG's Guide to Healthy Neighborhoods offers updated content, resources and links to inform choices that can help create a healthier community.

Resources and Training for Planning Commissioners

The Institute for Local Government offers resources to help planning commissioners, elected officials and concerned residents understand the basic elements of local planning in California and how to incorporate healthy land use principles into decision making at the local level.

WEBINAR

Linking Health in All Policies & Active

Transportation

Thursday, October 24, 2013 from 9-10am

Join public health and transportation professionals from around the state in a discussion on how to integrate health considerations in various sectors. In this webinar, you will learn more about California Department of Health's plan and how active transportation plays a role in Health in all Policies. [Register today!](#)
