SUSTAINABILITY CASE STORY

El Cerrito Transforms Urban Highway into Main Street with Pedestrian and Environmental Friendly Amenities

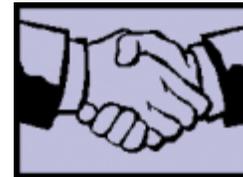

The City of El Cerrito in the East Bay of San Francisco is redesigning the main street of their city into a bicycle, pedestrian and environmentally friendly streetscape.

City of El Cerrito

The City of El Cerrito is a proud participant in the Beacon Award: Local Leadership Towards Solving Climate Change. Learn more about the city's sustainability efforts.

Sustainable Communities Learning Network Partnership

The Sustainable Communities Learning Network (SCLN) is a service for local officials offered by the Institute for Local Government in partnership with the Information Center for the Environment at the University of California, Davis, with support from the Strategic Growth Council and The California Endowment.

Sustainable Communities Learning Network Group on LinkedIn

The LinkedIn™ group is a place for local government sustainability practitioners to connect, exchange information, discuss best practices, and seek feedback on project ideas directly from their peers.
