**GLENN COUNTY
COMPLIANCE AND MONITORING LETTER**

TO: Businesses Operating in the County of Glenn
Multi-family Communities in the County of Glenn

FROM: Glenn County Waste Management Regional Agency
A Joint Powers Authority between the County of Glenn, City of Orland and City of Willows

RE: State Recycling Requirements for Businesses and Multi-Family
Communities

As of July 1, 2012, State law requires the following businesses to arrange for recycling services:

Any business that generates 4 cubic yards or more of waste per week and
Multi-family communities with five or more units.

HOW TO ARRANGE FOR RECYCLING SERVICES

Businesses/ multi-family communities that meet the threshold can easily recycle by requesting a commingled collection bin from Waste Management of Glenn County. Commercial recycling is included as part of your overall Waste Management service package at no additional cost. For your convenience we have included a brochure of services provided by Waste Management of Glenn County.

Businesses/ multi-family communities may also donate, sell and/or make other arrangements for pick up and recycling of the materials. This includes self-hauling the materials to recycling facilities.

OPPORTUNITIES TO SAVE MONEY BY RECYCLING

In Glenn County, you can save money by recycling more and disposing less. Disposing of less saves you money by reducing your trash service.

OPPORTUNITIES TO SAVE RESOURCES AND HELP THE ENVIRONMENT

Recycling conserves resources and reduces greenhouse gas emissions. It extends the life of our landfills and helps create a healthy environment for our community and future generations.

WHERE TO GO FOR MORE INFORMATION

For more information on the Glenn County Commercial Recycling Services Program, please call Waste Management of Glenn County at (800) 479-8101.

For the latest information on Glenn County's programs, please check our website at www.gcppwa.net or contact the Glenn County Planning and Public Works Agency at (530) 934-6530 or (530) 865-2782.

Information about California's business recycling requirements is available from the California Department of Resources Recycling and Recovery (CalRecycle) at www.calrecycle.ca.gov/climate/Recycling/default.htm.

Commercial Recycling Made Easy!

Waste Management offers businesses the ease and convenience of single stream recycling. All your paper, Cardboard, plastic, glass and metals go into a single container. Commercial recycling is included as part of your overall service package at no additional cost.

We have designed this program to be easy to implement, simple to use, and effective. Through this program and with your efforts, we will extend the usable life of landfills, preserve natural resources, and improve the quality of our environment.

Program Highlights:

- Free recycling service
- Save money by reducing trash service
- Convenient commingled collection

Waste Bins & Recycling Containers To Fit Your Company's Needs

In Glenn County, businesses come in all shapes and sizes. That's why Waste Management offers a wide variety of containers and waste bin types and sizes to accommodate the needs of its commercial customers.

For recycling, we offer 64-gallon wheeled carts, as well as 3-cubic yard bins.

Bin Size 3-yard 6'9" W x 4'1"D x 4'11"H

For non-recyclable waste, we offer:

- Carts in 64- and 96-gallon sizes
- Bins from 1- to 6-cubic yards
- Debris boxes in 20- and 30-cubic yards

List of Acceptable Recycle Materials

- Aluminum: cans, clean foil and containers
- Metal: Tin and steel cans
- Glass: bottles, jars and containers
- Corrugated cardboard
- Paper: newspaper, bags, catalogs, chipboard (cereal and shoe boxes), computer paper, construction paper, egg cartons, envelopes, junk mail, magazines, telephone books, and white paper
- Plastic: bottles, jugs, and containers labeled numbers 1 through 7

If your business qualifies as a Conditionally Exempt Small Quantity Generator (CESQG), Glenn County is developing a program that will help you properly dispose of items such as:

Televisions
Computer monitors
Laptop computers
Fluorescent bulbs
CFL bulbs
Mercury switches
Thermometers
VCRs
Paint
Batteries
Cleaning supplies
Motor oil/Gasoline
Automotive parts

These items are not allowed in trash or recycling bins. CESQGs are defined as generators with 220 lbs. or 27 gallons or less of Household Hazardous Waste per month. Please contact Glenn County at 530-624-8102 for proper disposal procedures and information describing how the program works, if your business qualifies and disposal times.

Un-Acceptable Materials Include:

- Styrofoam
- Plastic film (including plastic bags)
- Food contaminated paper (pizza boxes, paper plates)
- Electronics (including TVs, computer monitors or laptops)
- Light bulbs (including CFLs)
- Garden trimmings or dirt
- Household hazardous waste

Residential Services

Welcome to Glenn County's residential trash collection and recycling program! This program has been designed to make waste collection and recycling more convenient, and more effective.

Program highlights include:

- Trash rates based on trash cart size of 64, or 96-gallons with no additional costs for recycling
- 64-gallon recycling cart, collected every other week
- Sturdy, easy-to-use wheeled carts with attached color coded lids: Trash (grey) and recycle (blue)

This program is designed to offer superior, dependable waste services to help keep our homes and community beautiful. More importantly, recycling is the right thing to do. It conserves natural resources and energy, and helps reduce air and water pollution.

This program cannot work without your help. Please review this information carefully so you can play a key role in helping us create a cleaner and more sustainable Glenn County.

GLENN COUNTY RESIDENTIAL COLLECTION SERVICES

Solid Waste and Recycling Program Guide

Refuse Cart

Grey Lid

Residents have the choice between a 64-gallon or 96-gallon refuse cart for household trash.

Refuse includes:

- Ceramics
- Mirrors
- Pet Waste
- Plastic Bags
- Porcelain

- Drinking Glasses and Dishes
- Light Bulbs (no CFLs)
- Plastic Wrap
- Dirty Aluminum Foil
- Disposable Diapers
- Windows or Auto Glass
- Styrofoam
- Tape

Non-acceptable items include:

- Any Household Hazardous Waste
- Needles or Sharps
- Fluorescent Tubes including CFLs
- Electronic Waste
- Universal Waste (batteries/mercury waste)

Cart Reminders!

- Place carts three feet away from each other and 6 feet from other objects such as cars, basketball hoops, or mailboxes.
- Place materials in their appropriate carts.
- Don't overfill your carts. Lids must be closed.
- Roll your carts to the curb or roadside with the handles facing away from the street.

Recycling Cart

Blue Lid

All residents receive a 64-gallon recycle cart with refuse service.

Recycling includes:

- News paper: inserts, coupons, and store advertisements
- Mixed Paper: office paper, magazines, junk mail, brown paper bags, paperboard, paper egg cartons, colored paper, envelopes, and shoe boxes

Corrugated Cardboard

Chipboard

Glass Beverage and Food Containers: jelly jars, maple syrup bottles, baby food jars, and beverage bottles

Aluminum: beverage cans

Steel or Tin Cans: soup cans, juice cans, and canned vegetable cans

Plastic: bottles, jugs, and jars #1-#7

Non-acceptable items include:

- Moisture or food contaminated paper: paper plates, pizza boxes, cups, napkins, towels or tissues
- Mirrors
- Light bulbs
- Window Glass
- Ceramics
- Styrofoam: cups, food trays, packing or packaging material
- Non-container plastic such as plastic bags, plastic wrap, hoses, toys, plastic plates, cups and straws
- Needles, medical waste, or hazardous waste

Green Waste Cart

Green Lid

The residents within the city limits of Orlando and Willows have the option of receiving green waste service for an additional charge. This service is currently not available to County residents.

Green Waste includes:

- Garden trimmings
- Grass clippings
- Leaves
- Plants
- Small wood scraps
- Tree limbs less than 3" in diameter
- Weeds
- Wood chips

Non-acceptable items include:

- Pet waste
- Liquids
- Dirt
- Rock or rubble
- Food waste: including solid dairy, egg shells, meat scraps, fish, poultry and solid grease
