YES! I want to find out how I can save money on my trash collection costs by recycling more.

I am interested in:

All-in-One Recycling

All-Organics

Both programs

My business is at:

Restaurant/Market

Retail/Office

Service (type) _____

Name: _____

Business Name and Address _____

Please call me at: _____

Time _____

Trash

- Every business in Albany must arrange for trash pickup that is sufficient to contain all trash between collection days. Commercial trash pickup in Albany is provided by Waste Management and is collected weekly or more often, as needed.
- Waste Management provides all trash containers: 32- to 96-gallon wheeled carts; 1- to 7-cubic yard bin-on wheels; 10- to 50- cubic yard debris box or compactor.
- Commercial premises with two or more occupants adjacent to each other may share carts or bins. One owner or occupant must take sole billing responsibility. Minimum service is 96-gallons for every four properties.
- The cost of trash pickup depends on the size of the trash container and the frequency of collection.

All-in-One Recycling

No additional cost for recycling services.

- Waste Management provides commercial recycling services for Albany businesses.
- All recyclable material is collected in one container — No need to separate recycling.
- Recycling is collected weekly or more often, as needed.
- Waste Management provides all recycling containers: 18-gallon tubs; 32- to 96-gallon wheeled carts; 1- to 7-cubic yard bin-on wheels; 10- to 50- cubic yard debris box.
- Waste Management provides cardboard collection containers for inside use at a nominal charge.
- Commercial premises with two or more occupants adjacent to each other may share carts or bins.

Include:

Newspapers; all mixed paper; paper bags; corrugated cardboard; metal, glass, and plastic beverage containers; aluminum; empty aerosol cans; scrap metal.

Do NOT Include:

Plastic bags; Styrofoam containers or “peanuts”; window panes; incandescent or florescent light bulbs.

All-Organics

The organics program is available for an additional monthly charge.

- Organics include all food scraps, food-soiled paper, and yard trimmings.
- Waste Management provides all organics containers: 32- to 96-gallon wheeled carts; 1- to 4-cubic yard bin-on wheels.

Include:

Yard Trimmings:

Grass and leaves; hedge clippings; flowers; tree foliage; tree branches and unpainted, untreated wood up to 5 feet in length and less than 6 inches in diameter.

Food Scraps:

Vegetables; fruits; grains; meat; fish; dairy. Also, food contaminated paper, including: pizza boxes; paper plates and cups; paper towels and napkins; milk and juice cartons.

Do NOT include:

Plastic bags or containers; soil; treated or painted wood; branches over size limit; gravel or concrete; bamboo; palm tree trimmings; bark, sawdust, or wood chips; animal waste.
