This information is provided in the form of a checklist to assist you in completing the necessary paperwork for field trips. For trips other than local, please submit this form with the necessary information to the segment administrator for approval. For local trips with volunteer drivers please submit to segment administrator for approval. All forms are available on the intranet under Risk Management Field Trips. Release of Driver Record Information form should be submitted in advance to Risk Management prior to submitting completed packet for approval. On the day of the trip updated rosters and transportation lists should be submitted to the Transportation Office, Area Assistant Superintendent’s Office, and provided to the driver(s) and/or field trip coordinator. Parent permission forms and rosters are carried by the field trip coordinator on the trip.

**Important:** Keep all field trip documents on file at the site for at least 2 years.

By signing below, I acknowledge and agree as follows:

1. Participation in this field trip is voluntary and is a privilege. I understand that the student has the right and ability to remain at school instead of participating in the field trip. I request that the student be allowed to participate in the field trip, under the supervision of the supervising teacher/sponsor and/or adult chaperones with transportation to be provided in the described manner (which may include transportation in non-District owned/operated vehicles).

2. California Education Code Section 35330 states that: “All persons making the field trip or excursion shall be deemed to have waived all claims against the district or the State of California for injury, accident, illness, or death occurring during or by reason of the field trip or excursion.” I understand and agree that I cannot hold the District, its officers, agents, or employees liable for any claim arising out of, or which is in some manner connected with, the student’s participation in this field trip. [Adults participating in out-of-state field trips must also sign a statement waiving such claims.]

3. The supervising teacher or sponsor will discuss field trip rules and safety requirements with students and adult chaperones prior to the field trip, which may include dangerous or hazardous conditions or circumstances exposing the student to potential harm or injury, potentially including death. Students are required to obey all rules and safety requirements of the field trip, as well as codes of conduct and general standards for respect of persons and property and good behavior. I understand and agree that failure of the student to follow field trip rules or safety requirements may result in the student being sent home, at my expense, and that the student may be barred as a result from future field trips.

4. Emergency medical information regarding the student is on file with the District and is current (provide updated information before the trip, if necessary). If an injury or medical emergency occurs during the field trip, a supervising teacher, sponsor or chaperone has my express permission to administer or to authorize the administration of urgent or emergency care, including the transportation of the student to an urgent care or emergency care provider. In such circumstances, notice to me and/or the emergency contact of the injury or medical emergency may be delayed. Therefore, any urgent or emergency care provider has my express authority to conduct diagnostic or anesthetic procedures, and/or to provide medical care or treatment (including surgery), as they may deem reasonable or necessary under all existing circumstances. All costs and expenses associated with such care are solely my responsibility.

Rev. B RSK-F106C
AGREEMENT FOR ACTIVITY PARTICIPATION
(INCLUDING WAIVERS AND RELEASES OF POTENTIAL CLAIMS, AND STATEMENT OF OTHER OBLIGATIONS)

All sections of this Agreement must be completed, with the signed original delivered to the School Office, before a Student will be allowed to participate in any manner in the Activity defined below.
A separate Agreement is required for each Activity in which the Student may participate.

In Consideration for the Student’s ability to participate in a Student Activity, Student Club, and/or a Special Class or Program (including after-school programs or classes involving special risks of harm or injury) listed above (the “Activity”), including any try out or process used to select members to join or participate in the listed Activity, or attendance or participation in any Activity meeting, class, competition, show, event, or presentation, including travel to and from any meeting, class, competition, show, event, or presentation (“Activities”), the Student and the Parent or Legal Guardian (“Adult”) signing this Agreement agree as follows:

1. It is a privilege, not a right, to participate in extra-curricular activities, including Activities. The privilege may be revoked at any time, for any reason, that does not violate Federal, State or District laws, policies or procedures. There is no guaranty that the Student will make the Team, remain on the Team, or actively participate in Team events, shows, performances, or competitions. Such matters shall remain exclusively within the judgment and discretion of the District and its employees.

2. The Student and Adult understand the nature of the Activity, and its associated Activities, and the Student voluntarily wishes to participate in the Activities. The Adult consents to the Students involvement in the Activities.

3. The Student shall comply with the instruction and directions of Activity teachers, coaches, supervisors, chaperones, and instructors. During the Student’s participation in Activities, as well as academic and/or other school activities, the Student shall comply with all applicable Codes of Conduct. The Student shall also generally conduct himself/herself at all times in keeping with the highest moral and ethical standards so as to reflect positively on himself/herself, the Activity and the District. Failure to meet these obligations may, in the discretion of the District, result in immediate removal from Activities and a prohibition against any future involvement in Activities or other extra-curricular activities. Should the violation of these obligations also result in bodily injury or property damage during Activities, the Adult will (a) pay to restore or replace any property damaged as a result of the Student’s violation, (b) pay any damages caused to bodily injury to an individual, and (c) defend, protect and hold the District harmless from such property damage or bodily injury claims.

4. Participation in Activities might result in injuries, potentially including serious or life threatening injuries or death. Injuries might arise from the Student’s actions or inactions, the actions or inactions of another Student or participant in Activities, or the actual or alleged failure by District employees, agents or volunteers to adequately coach, train, instruct, or supervise Activities. Injuries might also arise from an actual or alleged failure to properly maintain, use, repair, or replace physical facilities or equipment available for Activities. All such risks are deemed to be inherent to the Student’s participation in Activities. By this Agreement, the Student and Adult are deemed to fully assume all such risks and, in consideration for the right of the Student to participate in Activities, understand and agree that to the fullest extent allowed by law they are waiving and releasing any potential future claim they might otherwise have been able assert against the District, or any Board Member, employee, agent or volunteer of the District (“Released Parties”) by or on behalf of the Student or any parent, administrator, executor, trustee, guardian, assignee or family member and further understand that transportation to or activities at another location are “field trips” or “excursions” for which there is complete immunity pursuant to Education Code § 35330.
