WEBINAR OVERVIEW

ADDRESSING HATE CRIMES

How can local leaders tackle complicated issues, like race-based violence and hate crimes?

In this webinar we'll learn from academics, elected officials and non-profit leaders about how they are navigating the complexity of this topic. We'll explore ways to #stopAAPIhate, discuss discrimination and do more than just issue a public statement.

This session is the second in ILG's new leadership series, LEADING LOCAL, which will serve as a thought leadership forum on challenging topics and issues local government leaders face.

HOW TO ASK A QUESTION DURING THE WEBINAR

- All webinar participants will be on **MUTE** during the entire call.

ABOUT OUR ENGAGEMENT, LEADERSHIP & GOVERNANCE WORK

California's local government leaders face a myriad of complex and evolving leadership challenges.

- Elected leaders and staff cannot effectively address these challenges without a strong foundation of good government - trust, accountability, responsiveness and transparency.
- ILG's **Leadership & Governance** pillar helps local government leaders build that foundation, develop leadership skills and increase public trust.
- ILG's **Public Engagement** pillar is focused on imbedding authentic, effective and inclusive public engagement practices that encourage greater public trust and confidence in local government, while also helping local jurisdictions achieve their goals.
