Sustainability Best Practices Activities

**ILG** INSTITUTE FOR  
LOCAL GOVERNMENT<sup>SM</sup>  
*Promoting Good Government at the Local Level*

## About This Document

This document tracks and shares local agency best practice activities completed and counted as part of a city or county's participation in the climate change and sustainability recognition program, the Beacon Program. The Beacon Program is a statewide program recognizing cities and counties that are working to reduce greenhouse gas emissions, save energy and adopt policies and programs that promote sustainability.

The Beacon Program is sponsored by the Institute for Local Government and the Statewide Energy Efficiency Collaborative. The Statewide Energy Efficiency Collaborative (SEEC) provides support to cities and counties to help them reduce greenhouse gas emissions and save energy. SEEC is an alliance between three statewide non-profit organizations and California's four Investor-Owned Utilities. It builds upon the unique resources, expertise and local agency relationships of each partner.

### Supporting California local governments

The Beacon Program is funded by California utility customers and administered by Pacific Gas and Electric Company, San Diego Gas and Electric Company, Southern California Edison and Southern California Gas Company under the auspices of the California Public Utilities Commission.

## SPOTLIGHT AWARD

Areas of Accomplishment

		SILVER LEVEL	GOLD LEVEL	PLATINUM LEVEL
	Agency GHG Reductions			
	Community GHG Reductions			
	Agency Energy Savings		15.3% Reduction	
	Natural Gas Savings	8% Reduction		
	Sustainability Best Practice Activities		3 in each of 10 categories	

# City of Pomona

## Best Practice Activities

[www.ca-ilg.org/BeaconAward/](http://www.ca-ilg.org/BeaconAward/)

# Energy Efficiency and Conservation Activity

Level	Energy Efficiency and Conservation Activity	Reported
Silver	1. The City of Pomona participates in Southern California Edison's Energy Leader Program, and is currently at Gold having reduced energy in agency facilities by more than 10%, saving the city \$345,000.	2015

Level	Energy Efficiency and Conservation Activities	Reported
Gold	1. The city contracted a consultant to conduct an energy audit of city hall. 2. The city installed 4,200 energy induction street lights.	2015

Level	Energy Efficiency & Conservation Activities	Reported
Platinum	1. The city has been working to become energy efficient, and has approved chapter 20 of the city's Green Plan dedicated to energy efficiency policies.	2015

# Water & Wastewater Systems Activity

Level	Water & Wastewater Systems Activity	Reported
Silver	1. The city developed a Watershed Management and Monitoring Plan for the East San Gabriel Valley Watershed Management Area.	2015
Level	Water & Wastewater Systems Activities	Reported
Gold	<ol style="list-style-type: none"> <li>1. The city completed phase 1 of its Storm Drain Improvement Project to relieve the areas south of County Road (Camphor, Tampa Place and Teresa place) from seasonal flooding.</li> <li>2. The city constructed 1200 lineal feet of 36 inch reinforced concrete pipe (RCP) within the Indian Hill Boulevard right-of-way in Pomona to connect the City of Claremont's new storm drain system with the Los Angeles County Storm Drain system (LACSD).</li> </ol>	2015
Level	Water and Wastewater Systems Activities	Reported
Platinum	<ol style="list-style-type: none"> <li>1. The city council approved the Sanitary Sewer Management Plan (SSMP)</li> <li>2. The City of Pomona coordinates with the Metropolitan Water District of Southern California to promote its "BeWaterWise" Program.</li> <li>3. Pomona hosts water saving tips on the city's website.</li> </ol>	2015

# Green Building Activity

Level	Green Building Activity	Reported
<b>Silver</b>	1. The city council has approved Chapter 2 of Pomona's Green Plan which is dedicated to Green Building. Policy 2.1.3 encourages and incentivizes energy efficiency upgrades in buildings.	<b>2015</b>
Level	Green Building Activities	Reported
<b>Gold</b>	<ol style="list-style-type: none"> <li>1. The city has approved the Los Angeles County Loan Program to help residents fund energy and water efficient projects in their homes.</li> <li>2. The City of Pomona has approved participation in California Home Energy Renovation Opportunity (HERO) Program for financing of residential energy and green building projects.</li> </ol>	<b>2015</b>

## Waste Reduction and Recycling Activity

Level	Waste Reduction Activity	Reported
Silver	1. The City of Pomona encourages the public to protect the wastewater collection system from the improper disposal of fats, oils and grease (FOG), through tips on the city website.	2015

Level	Waste Reduction Activities	Reported
Gold	<ol style="list-style-type: none"> <li>1. The City of Pomona has hosted and advertised e waste collection events for residents.</li> <li>2. The city offers bulky item pick up service that allows residents to dispose of large items such as large furniture or appliances. Each waste customer may request this service for a maximum of two large items, and up to ten bundles of wood, tree limb or rolls of carpet. The initial two pick-ups within a calendar year will be provided to residents at no charge. Any subsequent bulky item pick-up requested within the calendar year will be provided each for a charge of \$25.00.</li> </ol>	2015

## Climate-friendly Purchasing Activity

Level	Climate-Friendly Activity	Reported
Silver	1. The city has dedicated Chapter 8 of its green plan to address climate friendly purchasing policies that promotes the purchasing of climate friendly commercial appliance, water fixtures and equipment.	2015

Level	Climate-Friendly Activities	Reported
Gold	1. The city created a Green Fleet Policy in its Green Plan to phase out or replace 30% of the city's fleet with electric or alternative fuel vehicles by 2020.	2015

## Renewable Energy and Low-Carbon Fuels Activity

Level	Renewable Energy and Low Carbon Fuels Activity	Reported
Silver	1. The city purchased of one CNG semi tractor truck and one CNG combo jetter vactor truck.	2015

Level	Renewable Energy and Low Carbon Fuels Activity	Reported
Gold	<ol style="list-style-type: none"> <li>1. The city replaced garbage collection trucks with 22 CNG refuse collection trucks.</li> <li>2. The city purchased of two, three-quarter-ton CNG pick-up trucks to replace two gas trucks.</li> </ol>	2015

## Efficient Transportation Activity

Level	Efficient Transportation Activity	Reported
Silver	1. In an effort to reduce traffic flow and vehicle idling time, the city created an efficient transportation chapter of its Green Plan which contains policies to improve infrastructure and transportation management systems.	2015

Level	Efficient Transportation Activities	Reported
Gold	<ol style="list-style-type: none"> <li>1. The city conducted an assessment of its traffic signals and has upgraded its fiber optic traffic signal communications system to allow for proper communication between traffic signals and the city's Traffic Operation Center located in the transit center as well as the workstation in city hall.</li> <li>2. The city completed and upgrade of its traffic signal detection system.</li> </ol>	2015
