

# Recycling is now available at work.

Now you can do the same great recycling job at work as you've been doing at home. As of April 8, 2007 businesses in the **City of Sacramento and unincorporated areas of Sacramento County** are required to recycle many of the materials that you and your family have been recycling at home. These items include:

- 
- ▶ **CANS OF ALL TYPES—ALUMINUM, BI-METAL, STEEL, TIN**
  - ▶ **CARDBOARD AND PAPERBOARD**
  - ▶ **GLASS BOTTLES, JARS, AND CONTAINERS**
  - ▶ **MIXED PAPER—COMPUTER, COPY, AND FAX PAPER**
  - ▶ **NEWSPAPERS, MAGAZINES, JUNK MAIL**

## **INSTRUCTIONS:**

Collect the recyclable materials in your recycling container. When your container is full, take the materials to a designated area in your workplace and place them in the appropriate recycling container.

*Recycling saves energy, reduces air and water pollution, conserves natural resources, helps foster the production of high quality products, and saves precious landfill space.*

**Recycling is Good Business!**

Printed on recycled paper, naturally!  
Please recycle.
