

# Safe Routes to School Workshop

December 13, 2012

## Discussion Worksheet

**What support is essential to:**

- 1. Develop Leadership?**
- 2. Attract funding and resources?**
- 3. Design and implement active transportation projects?**

**How can cities, counties, schools, and SACOG collaborate to build on the safe routes to school (SRTS / SR2S) policy and Metropolitan Transportation Plan (MTP) to realize common goals for active transportation?**

**Thank you for your participation in the SACOG Safe Routes to Schools Workshop.**
